The Reflector.

THURSDAY, JULY 13, 1893,

ABOUT PEOPLE.

Judge Thompson, of Minneapolis, was in the city.

G. E. Hathaway, of Washington, Kas., is at the l'acific.

Charles Bear is down from Washington county visiting relatives. Robert Gaffney, one of Ridge town

ship's brightest young men, was in the Miss Jennie Payne, of Appleton City,

Mo., is visting Mr. and Mrs. O. L. Moore. Mr. and Mrs. Joseph S. Reger, of Rural Dale, W. Va., are in the city,

the guests of their nephew, O. L. W. C. Gilliland, southwest Dickin-

son's prominent stock man and farmer, was in town. Mrs. James Cafferty, her daughter

last evening from a visit in Illinois and of 2:123 in June. to the World's Fair. J. E. Snyder, formerly of Chapman but now of Lebanon, Kas , was in the city. He rode across from Clay Cen-

ter on his bicycle yesterday. Jacob Schopp and family returned World's Fair. The trip was a pleasant one and the big show was thor-

oughly enjoyed. Mrs. F. L. Hirsch, accompanied by evening from Chicago. She was on the one good meeting this fall. World's Fair grounds at the time of The Inter Ocean is the first of the the fearful fire and says it was horrible linge dailies to give proper attention to beyond description.

family returned today from their vaca- ern representative of Clark's Horse tion trip. They visited the World's Review, and late associate editor of the latter place they drove home with trotting horse journals. He has a na a new horse and phaeton, much enjoy- tional acquaintance with breeders and ing the trip.

of Mexico on his wheel and nerve, took supper at the Gore hotel last Inter Ocean as a thoroughly reliable evening. The cyclometer on his wheel showed 836.3 miles. He left for Banner City last evening.

have been visiting Rev. and Mrs. A.S. of the company here during the ab Dechant left for their home in Pennsylvania. Mr. Mayer last evening Fair. It is a worthy choice. Mr. gave a talk to the Grace Reformed Gish is an experienced expressman. church on his impression of Kansas, having been in the office several years lauding the State highly and declaring that it has a wonderful future. It was his first visit to the State and he was ably. The many patrons of the Wells more than surprised at its beauty and Fargo will find their interests well at

RECENT REPLECTIONS.

- Grapes and peaches will be a good

-The firemen are preparing to clean up another big list of prizes at the anaual State tournament at Newton in

-Taylor the artist has made a big cut in prices for the benefit of those attending Normal but all comers will get the benefit. So we advise you to take advantage of this generous offer. He will make no other cut this year.

One of the stores of town that is making no complaint of hard times is the Benefit. Mr. Hirsch and his large force of clerks are kept constantly busy by the great sale of dry goods and clothing now going on. The remarkable prices at which the Benefit is selling its special lines of goods attracts the attention of all. New bargains are opened every day. Call and you'll always find something new and cheap.

Wolf Scalps Down.

Wolf Scalps Down.

The county commissioners have decided that \$3 for old and \$1.50 for young is too much to pay for wolf scalps and hereafter will pay only \$1.50 for young is too much to pay for wolf scalps and hereafter will pay only \$1.50 for more decided that \$3 for old and \$1.50 for more decided that \$3 for old an making no complaint of hard times is

scalps were brought in that the expense proved to great.

A Strawburning Engine.

This country is not yet very familiar Aultman Taylor to David Coffenberger

of Sulky and Track.

apolis and is doing good work. He will do his first racing on the track at Grand Rapids, Mich., the second week in August where he is entered in the 2:16 class.

free-for-all at Sioux City this week Time 2:19, 2:201, 2:19. Joe is now 18 years old and ought to have a let up. He made 2:19 on the Abilene track a half dozen years ago and has held his own admirably.

Governor Riddle, by Norman Med-Sioux City the other day. Governor is owned by Junction City parties.

When the only covered track was built many of the papers joshed the proprietors, the American Trotter calling it "the tunnel." The chances are that they are not crying so loud now that three of the tunnel horses won races at Rushville, one trotting a Mabel and Miss Mary Carroll returned third heat in the unprecedented time

The newest thing in sulkies is a vehicle with one wheel having a preu matic tire and placed nearly under the driver's seat. Whether the driver is to carry a balance pole does not appear

It is not yet decided whether or not last evening from their visit to the Abilene track. The State Breeders a fall race meeting will be held on the association is still acting offish and there is danger if the matter is too long postponed that it may be difficult to secure dates. We should much dislike Mr. Hirsch's father, returned last to see the year go by without at least

horse news. It has secured as trotting Rev. and Mrs. J. T. Mayor and editor Don D. Donnan, formerly east Fair and friends in St. Joe, Mo. From Western Resources, both distinctively trainers, having visited the leading Remle Everg, a bicyclist en route stock farms from Maine to California, from Minneapolis, Minn., to the City and his familiarity with lines of breeding and turf matters will establish the authority upon trotting matters.

A Worthy Promotion.

The Wells Fargo Express Co. has Bay. I., J. Mayer and wife who appointed H. D. Gish as acting agent sence of C. T. Estes at the World's Gish is an experienced expressman, is popular, and reliable and will look after the business of the office admirtended to in Mr. Gish's bands.

Institute Events.

The civil government class decided several imaginery cases. Ralph Miles became especially aroused when someone suggested that a man not legally qualified might be nominated as representative. He has faith in nominating

with the strawburning engines but be satisfied. Come early and avoid Hill & Sons sold one manufactured by the rush. TAYLOR, The Artist.

Coffenberger's farm last evening and will be used through the threshing season. The engine is larger than the ordinary kind and is admirably constructed for cheap and good work. Hill & Sons are handling a very large amount of threshing and harvesting machinery this season.
